

**With iconic chart topping smash hits SAFETY DANCE & POP GOES THE WORLD – as well as legions of devoted fans around the globe MEN WITHOUT HATS are hitting the road again!!**

**In support 2 new albums released in the last 3 years there's a lot get up and Safety Dance about!!**

**Again: Part 1 - Is an incredible homage to artists past and present. An album of covers that pays tribute to the likes of "The Rolling Stones", "Lou Reed" and "The Tragically Hip". It also offers a wonderful twist on the band's classic hit Safety Dance with the song NO FRIENDS OF MINE. This critically acclaimed record is a "hats off" to these songs in a style that is true only to MEN WITHOUT HATS.**

**Coming off of an amazing summer festival season, to say the band has "hit their stride" would be the understatement of the year!!**

**The professionalism, musicality and camaraderie of the group is unmatched. The enthusiasm, energy and excitement Men Without Hats brings to the stage is overwhelming! "Incredible," Brilliant" and "Kick Ass" are terms being heard by audiences and promoters alike.**

**Again: Part 2 - This is a wonderfully crafted album of original music! Ivan Doroschuk creates modern songs with a heavy nod to the synth pop / new wave roots of the band. Also appearing on the album is founding MWH member and Ivan's brother Colin Doroschuk as well as soprano vocalist, keyboard player and current touring band member Sahara Doroschuk – Sloan. Rounding out the recording is well known Canadian Producer / Engineer / Guitar player Sho Murray. When all these elements come together on songs like the first single "If The World Should End Today", the heart pumping "My Love", or the absolutely infectious "All Into Stars" it's like the past, the present and the future can all be heard at the same time!!**

**The current line up of Ivan Doroschuk (vocals), Sahara Doroschuk – Sloan (keyboards + Vocals), Sho Murray (Guitar) and veteran drummer Adrian White is a line up for the ages!**

**They BRING IT ALL and they leave it ALL on the stage!**

**This show has more fun and dancing than your first high school party!!**

**MEN WITHOUT HATS will put smile on your face and some sweat on your brow!! Please remember to DANCE SAFELY!!**

**Critics are calling "Again Part 2"
